Biography
John V. Dunne, M.D., F.A.C.S.

John V. Dunne, M.D. is Medical Director of Erasers Body Enhancement Centers, Inc. and is Board Certified in General Surgery, Thoracic Surgery and Cardiovascular Surgery. In addition, he has received training on Laser techniques at multiple medical institutions.

As a practicing Bradenton physician for over 30 years, Dr. Dunne was first in this area to introduce lasers in eliminating painful and unsightly veins. Moreover, by continuing his extensive, hands-on training throughout the county, Dr. Dunne is able to consistently provide the most advanced vein treatment techniques. He also trains other physicians in vein ablation procedures and other laser techniques.

Dr. Dunne has two accredited vascular labs; one in Bradenton, FL and the other in Sun City Center, FL. To be accredited, the lab must pass stringent standards set by the *Inter-societal Commission for the Accreditation of Vascular Laboratories*, as well as perform a volume of specified laboratory examinations.
